

# STUDENT ASSISTANT PROGRAM

## REQUIREMENTS

- Grade 6+ in the current academic year
- Attended The Arbor for at least one previous year
- Grades 6-8: Interested students in grades 6-8 must be enrolled in at least one Arbor class on the same day of assisting.
- High School: Former Arbor students currently in grades 9+ will be considered for the student assistance program even without concurrent enrollment, as long as a family member is currently enrolled in the session they are assisting.
- Read through and agree to orientation materials as provided after approval.

## APPLICATION & APPROVAL PROCESS

Students may apply to assist in **one period** per semester. Applications will be received on a rolling basis and will be considered for approval and assignment on a first-come, first-served basis.

### STEPS:

1. Complete the Student Assistant Program Application (see website). Applicants may go through an interview process.
2. Upon approval, applicants will be notified of assignments. The family must review **and** confirm before our staff is able to finalize the assignment.

**Please Note:** Acceptance of application is not guaranteed. Care will be used in trying to best match a student's interests with program openings, but specific assignments cannot be guaranteed.

## BENEFITS

- Grow in service and leadership skills by giving back to a place you love!
- Earn community service hours
- Explore a career in teaching or other field working with children
- Potentially earn elective credits, if approved and spearheaded by charter teacher

## EXPECTATIONS

- Student should be willing to help others, work independently, and be able to follow directions.
- Student should demonstrate strong leadership skills, responsibility, and flexibility.
- Student should follow The Arbor's Student Code of Conduct and be willing to act as a role model at all times.
