Setting: \_\_\_\_\_

Length of Time: \_\_\_\_\_

Arbor teachers teach a schedule with a set number of classes, most of which meet once per week for 30 weeks, plus approximately 2 additional weeks for preparation and/or training. Combining instructional hours and weekly prep time, most classes average 2.5 hours of weekly work. Classes in multiple areas of interest can often be combined.

Are you comfortable with this part-time arrangement, or do you prefer full-time work? Do you have a preferred minimum and/or maximum number of hours per week?
